

Fleet Management

This product is designed especially for companies that wish to continue to own their vehicles but want to remove the administration burden. You get access to our substantial buying power and cost control experience. We use this to drive down the cost of running your fleet.

Bramall & Jones Fleet Management is available for your vehicles irrespective of what funding method you use. You continue to own or finance your vehicles in the way you wish whilst we manage them and keep a tight control over the expenditure.

You choose which elements of fleet management you wish us take over and pay a monthly fee. You then get access to our special buying terms, commercial arrangements and suppliers. We can arrange the purchase of your vehicles either using our buying terms or any special arrangements you may already have. Our maintenance controllers keep a tight reign on all vehicle expenditure and ensure that only necessary work is being done and charged at our nationally agreed rates. On disposal we will use our experience to maximise the sale price, keeping you informed at all times.

The following elements can be included in a Fleet Management agreement with Bramall & Jones Leasing:

- Vehicle acquisition
- Vehicle maintenance control
- Driver advice and assistance
- Fleet administration
- Management reporting
- Breakdown and recovery
- Incident management
- Short term rental vehicles
- Manufacturer negotiations
- A choice of maintenance payment methods
- Fuel Cards
- Vehicle movements
- Vehicle disposal

The above elements are the basis of most Fleet Management agreements. Bramall & Jones Leasing offer the flexibility for you to choose which elements you wish to take advantage of and we build our pricing accordingly.

You can also choose whether you wish to pay for your maintenance on an as used basis or a fixed cost basis.

Our services include comprehensive fleet consultancy and detailed management reporting. We are able to develop a specific fleet policy for you which takes into account current legislation as well as your specific requirements. Your drivers will receive assistance and advice which can include vehicle choice and personal taxation information. At all times this is based on the fleet policy and procedures you have in place.

Add to this our online systems which gives you immediate access to your fleet information and you have a Fleet Management package which delivers real benefits.

To find out more why not contact us today and let our experienced consultants demonstrate the Bramall & Jones difference to you.
